Air Intake Filter Specification Template

For Trane Intellipak Units

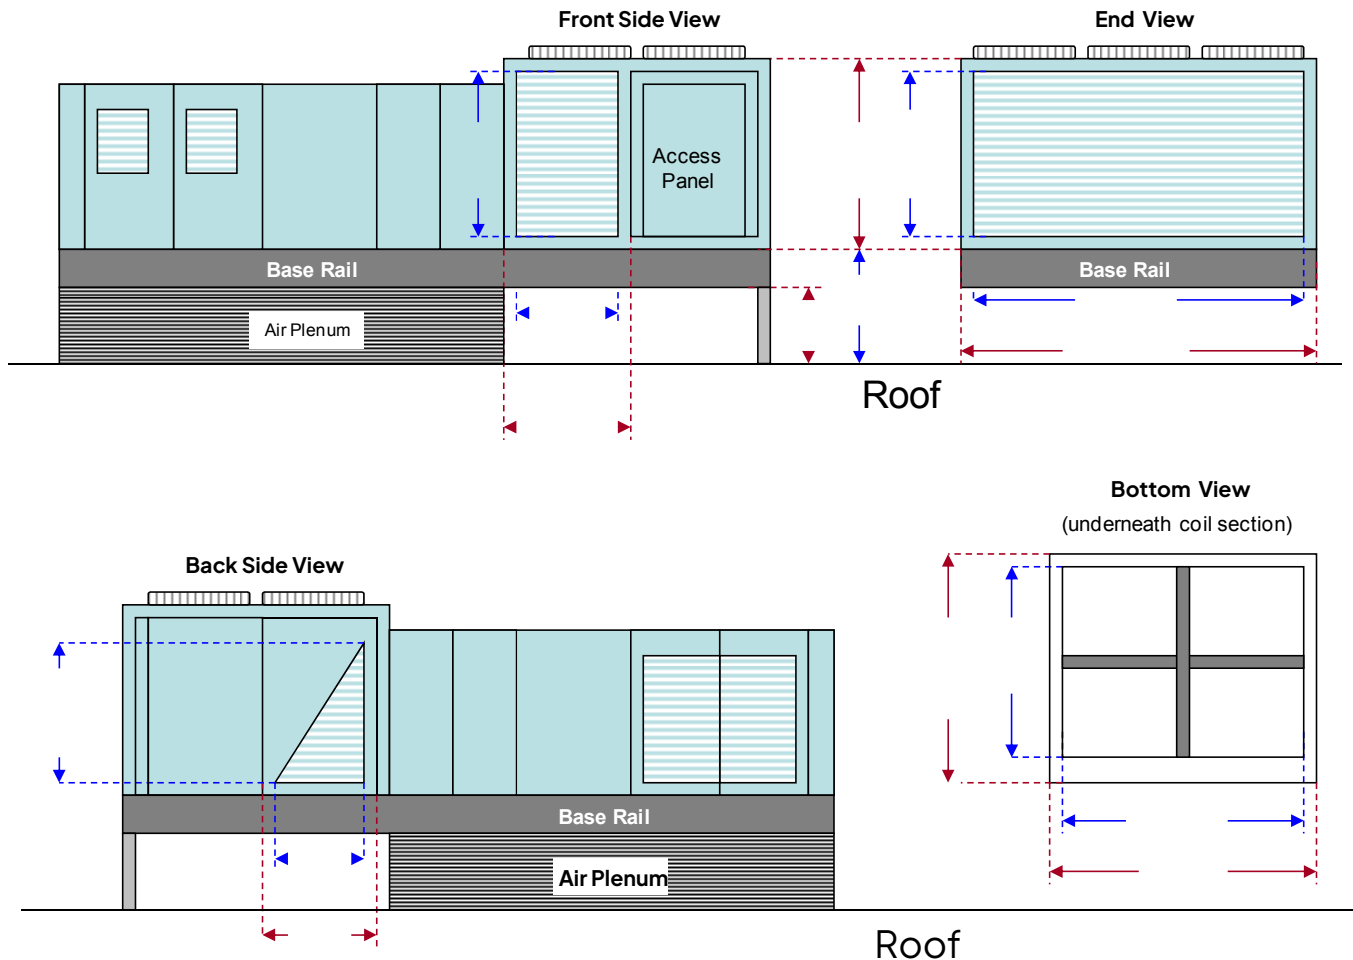

Company: _____ Contact: _____

Phone: _____ Cell: _____

Email: _____ End Customer: _____

Model Number: _____ How many units of this model: _____

Be Sure To Fill Out All Dimensions Indicated Below

PLEASE READ BEFORE TAKING MEASUREMENTS: Filter Screen requirements can vary from unit to unit of the same make and model based on how and where the unit is set. Therefore, verification of specifications is required to ensure that the filter screens being produced for the unit will fit properly and provide years of trouble free service. Please capture all of the measurements that apply as shown above.
